

THS SPRING JOB FAIR REPORT

2022 Condensed Report | Student Profile

Over **42** job opportunities in a variety of industries were available to students aged 14-18+.

58 students participated in **78** interviews with employers.

120+

students in grades 7-12 attended the job fair and spoke with employers.

KEY TREND: the more **empowered** students felt, the more **engaged** they were with employers during the job fair.

40%

of interviews that happened during the job fair had been scheduled in advance through the 2022 Job Opportunity Guide*. **The guide was a booklet of 42 job listings, organized by industry, and additional employment resources for students. It was distributed at the school in the weeks leading up to the job fair.*

64%

of students who participated in interviews with employers during the job fair also applied for a job during the job fair.

14+ students were hired by local employers as a result of the THS Spring 2022 Job Fair.

Student Testimony:

"The job fair was a great experience for me, it opened up many opportunities. I walked out of the Job fair hopeful and am now in the hiring process for my #1 choice."

THS SPRING JOB FAIR REPORT
